## FREQUENTLY ASKED QUESTIONS

**Q** When do you need my final numbers for the catering?  
• Can I adjust my count the day before the event?

**A** We require final numbers 48hours prior to the event. You may increase your counts up to two days prior to the event, however we cannot accept decreases in numbers within two business days of your event.

**Q** How much is the delivery fee?

**A** Nothing for orders over \$50. For orders under \$50 we will charge a \$20 delivery fee.

**Q** How can I be assured that my event will get the necessary attention it deserves if you have several orders on that same day?

**A** INN Out catering limits the number of special events that we will cater on any one day to preserve the high quality service we deliver to our clients. This unique policy ensures that your event receives the ultimate degree of quality and service necessary.

**Q** I have guests with special dietary needs. Can you accommodate them?

**A** We are happy to suggest alternative menu selections for your guests with dietary concerns. Just let us know well in advance so we can plan something delectable!
